Subject: Reminder to Submit Written Response to Property Run-off Management, Lakeview Rock Products, Inc., Beck Street Quarry, M0350020, Salt Lake County, Utah

Dear Mr. Burgraff:

A site inspection on December 4, 2007 included a request for Lakeview Rock Products, Inc. to provide a written response to the run-off issue on the south end of the property. In November 2007, Staker & Parson Companies complained that they are managing the Lakeview property run-off and would like it addressed.

This letter serves as a reminder to provide a written response to the Division by January 3, 2008 regarding the outcome of your inquiry with Staker & Parson Companies. Please provide adequate detail and an outline of the action plan in your response to ensure there is clear understanding about the run-off management.

If you have questions or require further discussion, please contact Ms. Beth Ericksen at 801-538-5318.

Sincerely,

Susan M. White
Mine Program Coordinator
